Arc Toilet Roll Holder

By Form & Refine

Description

A single strong steel band with intensive rounded edges gives the Arc Toilet Roll Holder chunkiness without being heavy, and the small pin roller provides the piece with a light and minimalistic character. The rounded dimensions mean the holder meets the wall in an elegant manner. The extra matte and knurling surface add the right tactility and rawness. The knurling edges of the small pin are an extra detail and the most visually striking.
