## A Line Laundry Box By Form & Refine

## Description

This A Line Laundry Box is a rediscovered classic made of solid, highly durable, oak that is a very practical container with a large amount of storage space. The lid is lifted by a small leather handle on the top and the handles on each side make it possible to move the box around easily while in use. The two parallel grooves let the air inside the box ventilate naturally, an important feature for a laundry box. The lower cut of the two legs angles the piece so as to give it a feeling of being lifted up making the overall design solid and robust but also stylish.

Shown in natural oak
