Aymara Hot Water Bottle Cover with Bottle By Form & Refine

## Description

The Aymara Hot Water Bottle Cover with Bottle is a luxurious item designed for your personal comfort. The soft hot water bottle covers are made from 100% finest Alpaca material. The fiber is raised and woven in the Alpaca's natural habitat of Northern Bolivia. Alpaca serves as a natural thermostat. It is hypoallergenic, extremely soft, and warm despite its lightweight. The 100% natural Rubber Hot Water Bottle is made from the rubber tree milk sap, a sustainable product made from renewable raw materials.
