

DESIGNER Herman Studio  
BRAND Form & Refine

DESCRIPTION

The Alcoa Pitcher is clear and simple in form and the handle creates a functional and recognizable expression for the line. The surface is a balanced matt grey on the outside and a high gloss grey on the inside to provide a subtle contrast. The name Alcoa refers to the region Alcobaca in Portugal where the ceramics hail from. The region is rich in fine white clay which has cradled a culture of pottery.
