## Fazzo Surface Mount By In Common With

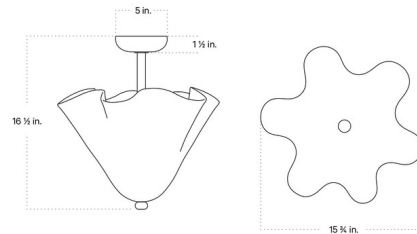

### Description

The Fazzo Surface Mount is an ethereal light fixture by In Common With, featuring handspun glass made using the fazzoletto technique, which is a traditional Venetian glassblowing method that creates delicate, ruffled folds in the glass. The light fixture is also fitted with hand-finished brass details and dim-to-warm bulbs, which create a warm and inviting glow. Note: Due to the handmade nature of this product, dimensions may vary by 1 inch.
