Fazzo Surface Mount

By In Common With

Description

The Fazzo Surface Mount is an ethereal light fixture by In Common With, featuring handspun glass made using the fazzoletto technique, which is a traditional Venetian glassblowing method that creates delicate, ruffled folds in the glass. The light fixture is also fitted with hand-finished brass details and dim-to-warm bulbs, which create a warm and inviting glow. Note: Due to the handmade nature of this product, dimensions may vary by 1 inch.
