Up or Down Outdoor Wall Sconce 12V By Kichler

Description

The compact Up or Down Outdoor Wall Sconce is ideal for landscape or deck lighting. Featuring solid brass construction and a lens that is flush with the fixture to prevent water puddling, this fixture withstands harsh outdoor environments. It can be installed facing up or down, and the Centennial Brass finish offers a vintage aesthetic and will patina over time. Note: A transformer is required, sold separately. This fixture is to be used only with a transformer rated a maximum of 300W (25 amps) 15V. The fixture does not mount to a standard junction box.

Shown in centennial brass
