Everett Bathroom Vanity Light By Kichler

Description

With its unique industrial glam design, the Everett Bathroom Vanity Light demands more than a quick glance. The sleek glass shades are embellished with clear discs that create extra dimension, most dramatic when illuminated. Rich in details, from the pronounced bolt hardware to the thin bent rods holding the discs in place, this fixture adds sophisticated flair to your bathroom or powder room. It can be installed facing up or down.

Shown in brushed brass / clear
