Rotating Wall Mirror

By Kristina Dam

Description

The Rotating Wall Mirror is functional and elegant and suited for every modern interior framed in appealing powder coated steel. This full-size mirror is designed with a clear reference to the proud heritage of Nordic / Scandinavian design and is capable of rotating. Use it in your living room, hallway or as a bathroom mirror. The Rotating Mirror is a gently artistic interpretation of the classic mirror - hang several mirrors in a cluster on the wall and add some edge to your interior.
