## Carousel Illuminated Charging Tray Module
By Pablo

ETL CE

Description

The Carousel Illuminated Charging Tray Module blurs the line between being an ambient structure and a charging station. The transparent, fluted acrylic body houses a flat panel LED emitting warm glare free illumination, discretely conceded below the colored low setting wireless charging tray surface for your mobile devices. Options include a Capacitive touch switch, Wireless charging w/ indicator light (2), USB-C charging port. Comes with a 6 foot cable.
