

Orion Oval Chandelier

SWG1178426

BRAND Schwung Home

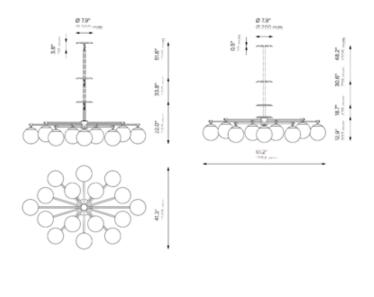

DESCRIPTION

The Orion Oval Chandelier will make a striking statement with its sunburst shape and globe-shaped glass shades. While Orion draws upon mid-century design for inspiration, it is composed of simple geometric forms that will complement any interior style. May be mounted as a ceiling light fixture or chandelier with included downrods. Note: Due to the weight of this fixture, additional ceiling support is required.
