Spider Chandelier

By Schwung Home

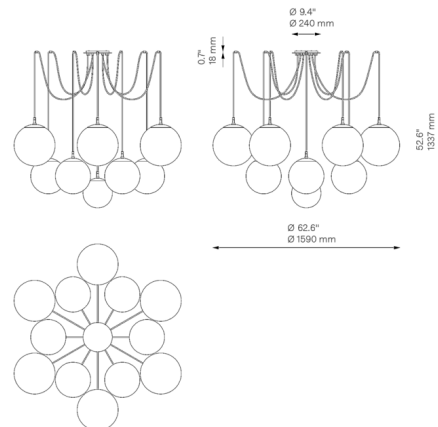

Description

The Spider Chandelier features black wires draped from ceiling hooks to create a web-like structure that supports a cascade of glass globe shades. Inspired by the works of French sculptor Louise Bourgeois, Spider pays homage to the beauty of the arachnid form by evoking images of webs, legs, and eggs. Note: Due to the weight of this fixture, additional ceiling support is required.

Shown in lacquered burnished brass / marble matte

Specifications
