Fino Bathroom Vanity Light By SONNEMAN - A Way of Light

Description

The ultra-slim minimally scaled Fino Bathroom Vanity Light can be mounted on the wall or ceiling and delivers powerful illumination with its integrated LED light. The light is softened through an optical acrylic diffuser. This bath bar can be installed vertically, horizontally or in any other orientation. Notes: The included LED driver must be installed in a remote accessible location near the fixture. An optional 4.5 inch diameter backplate for mounting directly on a standard US junction box is sold separately. The 3500K option is only available for 24 and 32 inch lights with the Satin Black or Satin White finish.
