Stone Wall Light

By Tom Dixon

Description

Marble has intrigued designers as a material for years. It is hard, durable, and long-lasting, but also elegant and rich in unique textures. The Stone Wall Light highlights the properties of its marble construction with a simple geometric form. The integrated LED light source is housed within a brass dome and reflected outwards to produce an enchantingly warm glow.

Shown in brass / white morwad marble

Specifications

COLOR White Morwad Marble
BODY FINISH Brass
WATTAGE 6W
DIMMER Low Voltage Electronic
DIMENSIONS 7.1"W x 7.1"H x 5.2"D
