## Bellhop Wall Sconce By FLOS

### Description

Introduce modern charm and adaptable illumination to your space with the Flos Bellhop Wall Sconce. This compact yet impactful fixture delivers bright, high-quality LED light, perfect for enhancing a range of settings. Its clever design allows for flexible installation: it can be mounted to face either up or down, providing either an uplight that washes the ceiling with ambient glow or a downlight for more directed illumination. Crafted from durable aluminum with a polycarbonate diffuser, the Bellhop Wall Sconce ensures both longevity and beautifully diffused light. For effortless ambiance control, it is dimmable with a TRIAC dimmer, allowing you to fine-tune the light intensity to create the perfect mood. The Bellhop Wall Sconce is an ideal choice for hallways, stairwells, or as an accent light in living areas, blending minimalist aesthetics with functional versatility.
