Appear Outdoor Smart Wall Sconce

By Philips Hue

Description

Expand your smart lighting system to the exterior of your home with the Appear Outdoor Smart Wall Sconce. Appear's black finish and simple, cylindrical shape will complement a variety of decor styles and blend effortlessly into any setting. Integrated LEDs provide both up and down lighting in warm-to-cool tunable white and full color.The Appear Outdoor Smart Wall Sconce requires the Philips Hue Bridge (sold separately). The bridge allows color and brightness settings to be adjusted via smartphone using the Philips Hue App. The app and bridge can also be used to control the fixture while away from home, create schedules, and link the fixture to motion sensors (sold separately). The Bridge is required for Philips Hue outdoor products. The Hue Bridge can support up to 50 lights and smart accessories throughout your entire home.The Hue Bridge allows for compatibility with many smart home platforms, assistants and products including: Amazon Alexa, Apple HomeKit, Google Assistant, Microsoft Cortana, IFTT (If This Than That), Razer, Samsung SmartThings, Spotify, and Corsair.
