

BRAND Philips Hue

DESCRIPTION

The Gradient Light Smart Light Strip Base Kit allows users to easily add accent lighting to any room with the convenience and versatility of smart home control. The flexible LED strip features tunable white and full color LEDs and the ability to display multiple colors at once along the length of the strip. The strip can be cut to length or easily connected to extension strips for longer runs. An adhesive backing allows the strip to be easily installed on a variety of surfaces. Includes power supply, plug, and cord. Up to 10 Philips Hue devices can be controlled from the Philips Hue App via Bluetooth. For control of more devices and access to the full range of smart home features, a Philips Hue Bridge is required (sold separately). Philips Hue with Bluetooth products are only compatible with Amazon Alexa and Google Nest voice assistants. Upgrade to the Hue Bridge (sold separately) for full compatibility with smart home platforms, assistants, and products including: Amazon Alexa, Apple HomeKit, Google Assistant, Microsoft Cortana, IFTT (If This Than That), Razer, Samsung SmartThings, Spotify, and Corsair.
