Hue Infuse Smart Ceiling Light

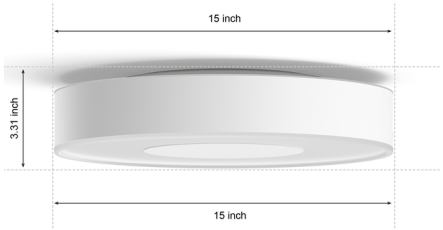

By Philips Hue

Description

The Hue Infuse Smart Ceiling Light will make a statement in any space with its contemporary design and full color with tunable white (2200K to 6500K) LED light source. Infuse directs light downward through its frosted diffuser as well as upwards to create a halo-like effect on the ceiling. When used with a compatible Google Nest or Amazon Echo device, Infuse can be controlled with voice commands for ultimate convenience and versatility.Up to 10 Philips Hue smart lights can be controlled via Bluetooth with the Philips Hue App. For control of more fixtures and access to the entire range of smart home features, the Philips Hue Bridge is required (sold separately).Philips Hue with Bluetooth products are only compatible with Amazon Alexa and Google Nest voice assistants. Upgrade to the Hue Bridge (sold separately) for full compatibility with smart home platforms, assistants, and products including: Amazon Alexa, Apple HomeKit, Google Assistant, Microsoft Cortana, IFTT (If This Than That), Razer, Samsung SmartThings, Spotify, and Corsair.
