Econic Smart Outdoor Pathway Light

By Philips Hue

Description

The Econic Smart Outdoor Pathway Light features a lantern-like design with the versatility and control of Philips Hue's smart home system. The integrated LED light source features RGB color plus tunable white technology to create the perfect ambiance for any setting. With the Philips Hue App and Philips Hue Bridge, a full suite of smart home features are available, including creating schedules, pairing with motion detectors, and adjusting color and brightness settings. Requires Philips Hue Bridge and Philips Hue Outdoor Power Supply (both sold separately). The Bridge is required for Philips Hue outdoor products. The Hue Bridge can support up to 50 lights and smart accessories throughout your entire home.The Hue Bridge allows for compatibility with many smart home platforms, assistants and products including: Amazon Alexa, Apple HomeKit, Google Assistant, Microsoft Cortana, IFTT (If This Than That), Razer, Samsung SmartThings, Spotify, and Corsair.
