Hue Tap Dial Switch

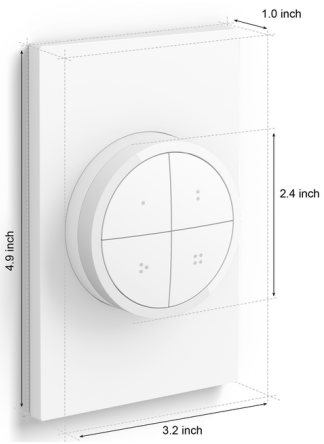

By Philips Hue

Description

The Hue Tap Dial Switch is an accessory for the Philips Hue range of smart lighting fixtures. Easily control up to three rooms or zones with the touch of a button, and dim or brighten the lights with a turn of the dial. The switch is battery powered and wireless, allowing for easy installation in nearly any location. The switch can also be removed from the backplate and used as a remote control.Note: A Philips Hue Bridge (sold separately) is required. Rooms or zones can be assigned to the switch in the Philips Hue smartphone app.
