Sana Smart Plug-In Wall Light

By Philips Hue

Description

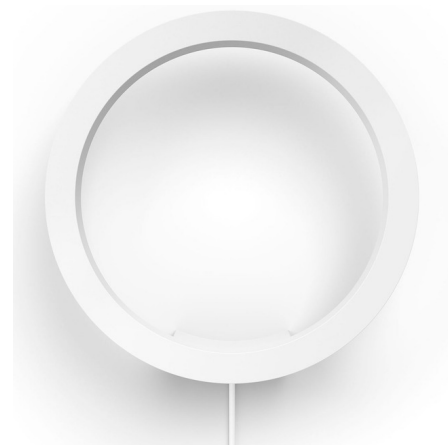

The Sana Smart Plug-In Wall Light features a sleek, circular shape with the power of Philips Hue smart lighting technology. The integrated LED housed in the back of the fixture provides an indirect lighting effect in full RGB color as well as tunable white (2200K-6500K) to create the perfect ambiance for any setting. Brightness and color settings for up to 10 Philips Hue devices can be controlled via Bluetooth with the Philips Hue smartphone app. For control of up to 50 devices and access to the full range of smart home features, the Philips Hue Bridge is required (sold separately). Philips Hue with Bluetooth products are only compatible with Amazon Alexa and Google Nest voice assistants. Upgrade to the Hue Bridge (sold separately) for full compatibility with smart home platforms, assistants, and products including: Amazon Alexa, Apple HomeKit, Google Assistant, Microsoft Cortana, IFTT (If This Then That), Razer, Samsung SmartThings, Spotify, and Corsair.
