Hue Play White/Color Ambiance Light Bar

By Philips Hue

Description

The Hue Play Light Bar is a versatile lamp perfectly suited for lighting a home entertainment center. An integrated LED light source provide white light (2200K-6500K) as well as a wide variety of colors to create the perfect ambiance for your space. The light bar may be placed horizontally, vertically with included stand, or attached to the back of a TV with included adhesive. The included power supply plug can power up to 3 light bars simultaneously. Available with one or two light bars and one power supply. Note: Requires Philips Hue Bridge and the Philips Hue App to control.
