

**DESIGNER**

Ramon Esteve

**BRAND**

Vibia

**DESCRIPTION**

Inspired by the classic art of folding paper, the Origami Wall Sconce features a simple square shape with an angular, faceted face. Light from the integrated LED is directed backwards to create an indirect lighting effect. Using power from a single junction box, multiple Origami Wall Sconces can be linked together to create sculptural arrangements of light.

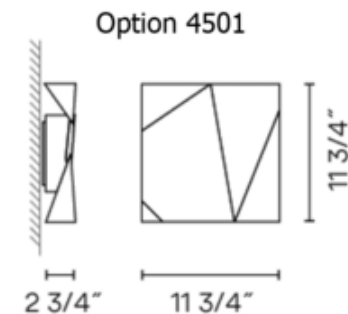

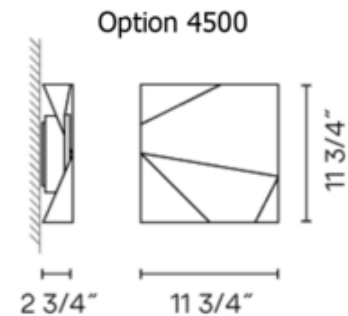

*Shown in: White*

<b>SHADE COLOR</b>	N/A
