Brisa Outdoor In-Ground Floor Lamp By Vibia

Description

The Brisa Outdoor Floor Lamp is a hardwired outdoor lamp that can be installed into soft ground or newly poured concrete. Featuring a long stem rising to a sharp curve and cone-shaped head, Brisa's form is inspired by the form of the blue bell flower. The lamp can be rotated 360 degrees, making it perfectly suited for illuminating outdoor pathways and garden spaces. Includes a 120-240V constant current non-dimmable driver, in-ground housing and wiring box.
