## Brooklyn Floor Lamp

By Adesso Corp.

### Description

Brighten your room without sacrificing style with the Brooklyn Floor Lamp with its intertwining tripod design and natural ash wood construction, this lamp is the perfect accompaniment to farmhouse, coastal, or Scandinavian decor. The minimalist design of the tripod base has an added touch of flair, as the three legs elegantly intertwine as they reach for the drum lamp shade that is crafted of white textured linen to softly disperse the light. For versatile lighting options, a 3-way rotary socket switch easily adjusts the brightness between low, medium, high, and off, while the 11 foot beige fabric-covered cord provides plenty of length to reach your outlet.
