Cayman Floor Lamp

By Adesso Corp.

Description

The perfect addition to coastal, transitional, or farmhouse decor, the tall Cayman Floor Lamp imbues any space with a stylish blend of materials. A round black metal base supports a sleek stem crafted of natural wood that highlights the attractive wood grain, while black metal accent pieces along the stem create a balanced visual appeal. Topping the lamp is a natural rattan drum shade that softly disperses the light and is trimmed with black fabric along the top and bottom to complement the black metal accents. A 3-way rotary socket switch provides a variety of lighting options, allowing you to easily adjust the brightness between low, medium, and high.
