Sputnik Arc Floor Lamp

By Adesso Corp.

Description

The Sputnik Arc Floor Lamp is crafted of antique brass and featuring the quintessential mid-century modern Sputnik silhouette, this lamp is a dramatic addition to living rooms, dining rooms, or bedrooms. The tall, slender antique brass pole is topped by a gracefully arcing stem, making this lamp an ideal choice behind or beside sofas, recliners, and love seats. Suspended from the stem is an antique brass chandelier-style fixture with nine short rods that extend in varying directions. The lamp is anchored by a rectangular base with antique brass finish, while it is operated by a rotary switch located on the pole.
