Zoe Wall Sconce

By Adesso Corp.

Description

Brighten your space in stunning vintage style with the Zoe Wall Sconce. For decor-enhancing symmetry, pair two of these sconces on either side of beds, fireplaces, or mirrors or place individually in entryways or other spaces for a pop of light. An antique brass finish dominates this piece, from the round base to the slender curving arm. Suspended from the arm is an inverted cone-shaped smoked glass shade that leaves the bulb visible.
