Zoe Chandelier

By Adesso Corp.

Description

Brighten your space in stunning vintage style with the Zoe Chandelier. Thanks to its innovative design, this chandelier is the perfect addition to any space regardless of ceiling height or style. The pendent features an adjustable stem connecting the lamp fixture to the round canopy and can be used on vaulted or sloped ceilings. Antique brass dominates this piece, from the round base to the narrow stem and branching arms. Crafted of smoked glass, the three inverted cone-shaped shades leave the bulbs visible.
