Nina Wall Sconce

By Adesso Corp.

Description

Brighten your space with the style and functionality of the Nina Wall Lamp. For symmetrical design, pair two of these sconces on either side of beds, fireplaces, or mirrors or place individually in entryways or other spaces for a pop of light. A round mount supports the dual textured milk glass shades that are connected with an hour-glass shaped accent piece in antique brass finish. The two included 3W replaceable LED bulbs throw a soft, warm white light and are compatible with full-range dimmers, allowing you to adjust the brightness as needed. For added versatility, the base of the lamp shades features an articulation point, allowing you to rotate and redirect the shades for a variety of looks and lighting options.
