Description

Brighten your space with the style and functionality of the Nina Floor Lamp. A round base supports a narrow matching stem, and extending from the stem at offset heights and directions are three dual textured milk glass shades, each with an hour-glass shaped accent piece in antique brass finish. The six included 3W replaceable LED bulbs throw a soft, warm white light and are compatible with full-range dimmers, allowing you to adjust the brightness as needed with the rotary switch on the pole.
