## Derrick Wall Sconce

By Adesso Corp.

### Description

Expertly pairing black and antique brass accents with unique hand blown emerald green textured swirled glass, the Derrick Wall Sconce elevates any space with its bold color palette and artful detailing. For symmetrical design, pair two of these sconces on either side of beds, fireplaces, or mirrors or place individually in entryways or other spaces for a pop of light. This sconce mounts to your wall with a rectangular black metal base, while a thin matching arm with antique brass accents extends from the base, attaching the stunning cylindrical glass shade.
