Description

Brighten your space with the metallic warmth and elegant styling of the Kieran Wall Sconce. For symmetrical design, pair two of these sconces on either side of beds, fireplaces, or mirrors or place individually in entryways or other spaces for a pop of light. This sconce mounts to your wall with a round base in antique brass finish, while a slender matching stem extends to support the light. Topping the shade is a classically embellished antique brass dome above a cylindrical glass piece made of seeded clear glass.
