Kieran Table Lamp

By Adesso Corp.

Description

Brighten your space with the metallic warmth and elegant styling of the Kieran desk lamp. Its antique brass finish and clear seeded glass shade complement both pared-down styling and ornately detailed looks. Constructed of monochrome metal with an antique brass finish, the lamp features a round base supporting a narrow tube and topping the light's shade is a classically embellished antique brass dome above a cylindrical glass piece made of seeded clear glass. On/off rotary switch on base.
