Natasha Wall Sconce

By Adesso Corp.

Description

With a skillful blend of metal and textured glass, the Natasha Wall Sconce elevates any space with contemporary style. For symmetrical design, pair two of these sconces on either side of beds, fireplaces, or mirrors or place individually in entryways or other spaces for a pop of light. The round wall mount in antique brass finish supports a matching, gracefully arching stem. The shade is crafted of clear textured glass that brings warmth to your room by softly diffusing the light.
