Natasha Tree Floor Lamp

By Adesso Corp.

Description

With a skillful blend of antique brass finish, marble, and textured glass, the Natasha Floor Lamp elevates your bedroom, living area, or office with contemporary style. The humble design combines a round white marble base with a slender pole and gracefully arching stems. Set at offset heights and directions, the dual stems support clear textured glass shades that bring warmth to your room by softly diffusing the light. With a discreet touch switch located on each shade, it is easy to turn the lamp on or off with the touch of a finger.
