Cyrus Table Lamp with Smart Switch

By Adesso Corp.

Description

Excelling at both task lighting and accent lighting, the Cyrus Table Lamp's gracefully twisting silhouette blends style and function, crafted with a metal finish and three lights at offset heights and angles. The LED lighting is integrated into the lamp and softened by frosted glass shades. Anchoring the lamp is a round base with a smart switch controlling a full-range dimmer and five settings (2700K, 3300K, 3900K, 4500K, 5000K) to find the perfect color temperature for your mood, from crisp to warm, at the touch of a finger. The lamp is powered by a 5' black cord.

Shown in brushed steel / frosted
