Cyrus Floor Lamp with Smart Switch

By Adesso

Description

Excelling at both accent lighting and brightening an entire room, the Cyrus Floor Lamp's gracefully twisting silhouette blends style and function, crafted with a metal finish and pole supports four lights at offset heights and angles. The LED lighting is integrated into the lamp and softened by frosted glass shades, and anchoring the lamp is a round base leading to a matching pole. With a smart switch located on the pole, you can control a full-range dimmer and five settings (2700K, 3300K, 3900K, 4500K, 5000K) to find the perfect color temperature for your mood, from crisp to warm, at the touch of a finger. The lamp is powered by a 5' black cord.

Shown in brushed steel / frosted
