Dorsey Table Lamp with Smart Switch

By Adesso Corp.

Description

The Dorsey table lamp combines a rich mix of materials, rounded contemporary design, and LED energy efficiency for the perfect accent lighting for your space. The tall and slim lamp features a domed base in black marble and a short black pole supports a cylindrical white textured cotton shade. Operated by a touch switch conveniently located on the top of the light shade, the lamp projects light with three brightness settings and three color temperature settings (2700K, 4000K, 5000K) all controlled by the touch of a finger. The lamp is also powered by a 5' black cord.
