Raymond Floor Lamp

By Adesso Corp.

Description

Add classic style to your living room, dining room, or bedroom with the Raymond Floor Lamp. Crafted of metal with a black finish, this lamp is anchored by a round base with softened tiers. Rising from the base is a long slender pole ending with an elegant twisted cage design beneath the shade for a traditional look. To softly diffuse the light, the lamp features an oatmeal-colored modified drum shade made of linen. For easy operation, a rotary switch is located on the socket, while the lamp is powered by a 5 foot black cord that coordinates with the black metal finish.
