## Adrian Shelf Floor Lamp

By Adesso Corp.

### Description

The two-tiered Adrian Shelf Floor Lamp marries form and function to illuminate your living room, office, or bedroom and features four slim legs in black metal finish that create a square footprint and support two black metal shelves. The 9 inch and 12 inch square shelves are ideal for displaying your favorite books, plants, and accent pieces, while the top shelf is at a convenient height for setting down your phone or a drink. Topping the lamp is an oatmeal-colored drum shade made of linen. For easy operation, a rotary switch is located on the socket, while the lamp is powered by a 5' black cord that coordinates with the black metal finish.
