Joshua Floor Lamp

By Adesso Corp.

Description

The Joshua Floor Lamp brings contemporary style to living rooms, bedrooms, and more. Crafted of metal with a black finish, this lamp is anchored by a round base with softened tiers, and rising from the base is a long slender pole ending with an elegant cage design beneath the shade. To softly diffuse the light, the lamp features a beige fabric drum shade with delicate texturing. For easy operation, a rotary switch is located on the socket, while the lamp is powered by a 5' black cord that coordinates with the black metal finish.
