BuzziCube Pouf

By BuzziSpace

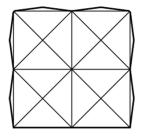

Description

Made using acoustic foam and recycled wool in a vibrant color, the BuzziCube Pouf is crafted as a lightweight and modern solution. This stylish solution is a comfortable seating option that helps to dampen mid- and high-tone sounds that created a cluttered sound in open floor plan offices, home studios, recording spaces, and more. It's a one-of-a-kind stool that is as functional as it is fashionable.
