BuzziNordic ST101 Armchair

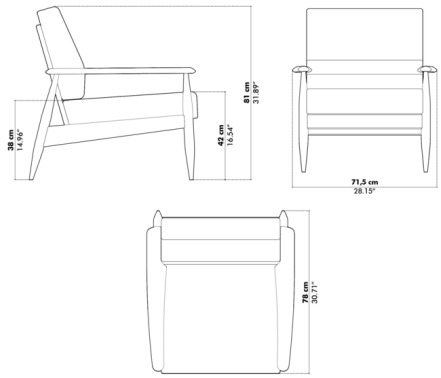

By BuzziSpace

Description

Inspired by mid-century Scandinavian design, the BuzziNordic Armchair combines a solid wood structure with mix-and-match recycled wool upholstery for a stylish look. This piece is made with a two arm design and tapered legs drawing influence of a Danish modern favorite. It's a delightful addition when paired with other BuzziSpace acoustic dampening pieces in open office spaces, studios, home offices and more. Natural fabric is only available with Walnut wood finish. Mid Grey fabric is not available with Natural Ash wood finish.
