Hamsa Demijohn Vase

By Currey and Company

Description

Made of terracotta with vibrant glazed motifs on the matte surface, the Hamsa Demijohn Vase is a colorful riff on the ancient Middle Eastern amulet symbolizing protection and happiness. Bringing the token into the modern day, the colorful contemporary rendering will draw attention in any space. The multicolored decorative jug will be a definite conversation-starter, as it was inspired by Picasso and celebrates Mediterranean culture during the 1940s.
