Amphora Vase

By Currey & Company

Description

Made of terracotta with vibrant glazed motifs on the matte surface, the Amphora Vase is a colorful paradox; while the shape is rooted in ancient Greece, the decorations were inspired by cubism. Bringing the motifs into the modern day, the colorful contemporary renderings will draw attention in any space. The multicolored decorative jug will be a definite conversation-starter, as it was inspired by Picasso and celebrates Mediterranean culture during the 1940s.
