Wrapped Lotus Bowl

By Currey and Company

Description

The Wrapped Lotus Leaf Lapis Bowl is a decorative vessel made from a lost-wax process to read like it is a nimble lotus blossom curling in on itself. The brilliance of the exterior that is as luminous as the gold interior is a refined aspect of this design. The inside of the decorative bowl is made of polished solid bronze, which will need to be cleaned from time to time to maintain its sheen.

Shown in green / gold
