Tia Box Set of 2

By Currey & Company

Description

The Tia Box Set of 2 includes two decorative accessories in smaller and larger sizes. The offset brick pattern that runs along the sides and tops are made of white bone and wood to bring the brown decorative boxes a refined sense of movement that resembles piano keys. Both boxes are linen-lined and the designer Aimee Kurzner points out that there are brass pins on the inside that ensure the pattern stays aligned.

Shown in natural / white
