Glass Pear Set of 2

By Currey & Company

Description

The Pear Set of 2 includes large and small matte glass sculptures in the shape of the juicy fruit for which they are named. The texture along the surface that provides the white sculptures with added decorative value is hand cut, which makes these translucent white accessories very artisanal. They are hollow inside, so placing them in a well lit spot means they will glow from within when reflecting natural or man made light.

Shown in brass / frosted
