Pear Set of 2

By Currey and Company

Description

Made of frosted glass with brass stems, the Pear Set of 2 includes large and small matte glass sculptures in the shape of the juicy fruit for which they are named. The texture along the surface that provides the white sculptures with added decorative value is hand-cut, which makes these translucent white accessories very artisanal. They are hollow inside, so placing them in a well-lit spot means they will glow from within when reflecting natural or man-made light.
